Please increase my daily limit for combined ATM/EFTPOS withdrawals to \$ (Maximum \$2,000)

Would you like to be notified when this limit has been increased? Yes No

I acknowledge and accept that as a result of this increase in the daily withdrawal limit, I will be increasing my liability to the amount specified above, for any loss of funds arising from any unauthorised transactions using my rediCARD or VISA debit card and PIN's.

I also acknowledge that I may be held liable for losses up to the daily limit specified above, if the loss occurs before notification to Transport Mutual Credit Union or the rediCARD or VISA card hotline, that the rediCARD or VISA card has been misused, lost, stolen, or the PIN has become known to someone else and if we prove, on the balance of probabilities that you or any additional cardholder on this account contributed to the loss. For further details, please refer to our Conditions of Use Account & Access Facility brochure available on the Transport Mutual website.

This application to vary your withdrawal limit is subject to approval by Transport Mutual Credit Union. Approved limit variations will be available within two working days. In approving this application, the Credit Union maintains the right to revert the daily limit on your card back to the default limit or to remove access if required.

I confirm that the above details are complete and correct, and that I have read and accepted the above conditions of this request.
